

The Academic Year begins with the start of the Fall semester and concludes with the end of the Summer semester of the succeeding calendar year. Used chiefly for event planning and scheduling, these calendars contain dates for these major term/part-of-term events: first/last day of classes, breaks/holidays, and Study Day/exams.

Note: The calendar is subject to change at any time prior to or during an academic term due to emergencies or causes beyond the reasonable control of the institution, including severe weather, loss of utility services, or orders by federal or state agencies.
